

Update on NUENAS 1.0

Thank you to everyone who completed the Doodle Poll regarding potential dates in October for the Coalition's next biannual meeting.

We are now firming up plans for that meeting. It will be held in Washington, DC, with the option to attend virtually. Please keep an eye out for our save-the-date email!

The Coalition also thanks Dr. Collette Adamsen from the National Resource Center on Native American Aging for actively seeking out opportunities to highlight [data from the Native Urban Elder Needs Assessment Survey \(NUENAS 1.0\)](#).

Recently, Dr. Adamsen reported that she plans to share results from NUENAS at the American Public Health Association's Annual Meeting & Expo, October 27–30, in Minneapolis.

We look forward to hearing from Dr. Adamsen about the connections made during that event.

Resources

RSV Shots for Elders

Remind Elders ages 75 and up to get their respiratory syncytial virus (RSV) shot before fall if they did not already receive it.

[Read more >](#)

Request for Input on a National Plan

Review the strategic framework for a national plan on aging and provide input via a survey due September 15.

[Access the framework >](#)

Funding Opportunity

Apply for a \$500 micro-grant to host an Indigenous Pink event in October that promotes breast cancer screening.
